Rialto Luxury Apartments

Venice, North Italy

The modern and ornate style of the Venetian apartment is emphasized by neutral walls and furnishings enriched with accents of mustard, gold, teal, and magenta.
The aim of this colour scheme is to create a tranquil environment with a light palette, while also expressing the richness of classic Venetian interiors through vibrant elements.

Private Apartment

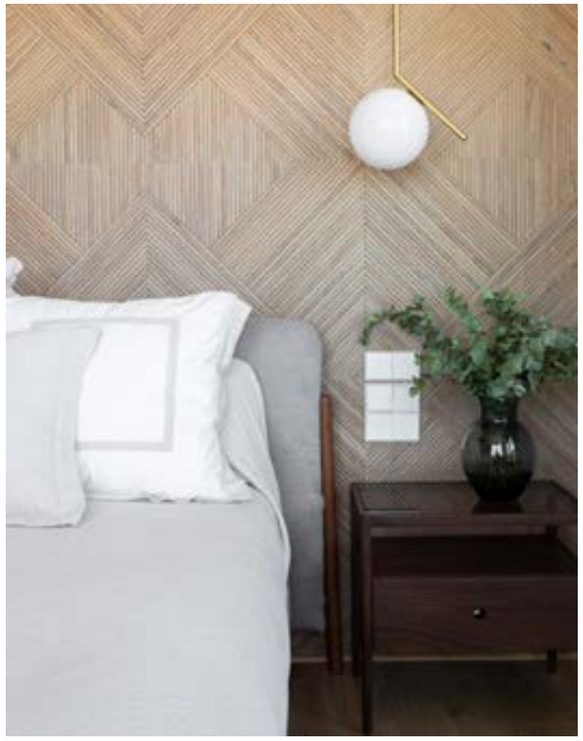
San Juan de Alicante, Spain



The core of the project was to create a balance between modernity and practicality. To achieve this, we selected finishes in neutral and warm tones, perfect for adding warmth to the bedroom. The furnishings are simple yet full of character, designed to blend seamlessly into the space and provide a sense of peace and tranquility

Opus XII

Rome, Middle Italy

In the Eternal City, within an early 20th-century building just steps from the Colosseum, the Opus XII apartment comes to life as a result of a dialogue between history and contemporary modernity. The use of natural materials, a careful study of colors in relation to the external views, and the interplay of light and shadow lend the project a timeless atmosphere, in harmony with the magnificent buildings and ruins visible outside

Project: Opus Atelier

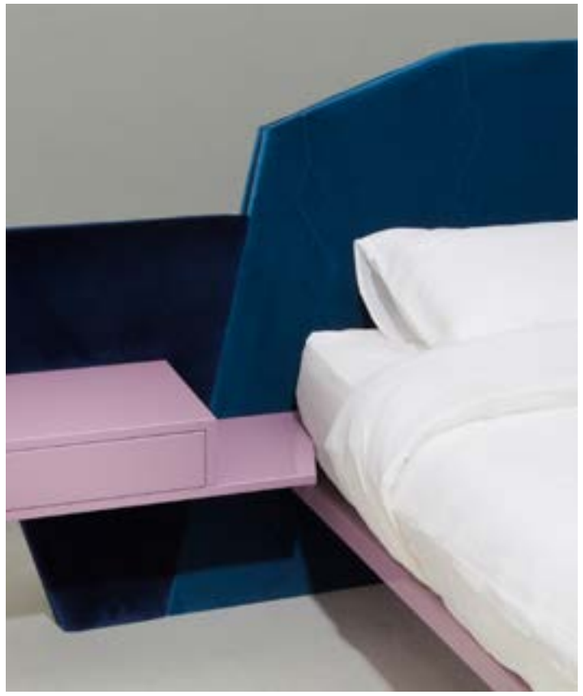
Exhibition by Martino Gamper

Mayfair (London), UK



Before, After & Beyond, the first full retrospective in London of the work of internationally acclaimed designer Martino Gamper. The exhibition explores and celebrates the domesticity of Martino Gamper's work, as well as the processes of making, producing, and assembling. His work is reflective of his motive of connecting people, his interest in the social dimension of furniture, using design to create interaction.

Project: Martino Gamper

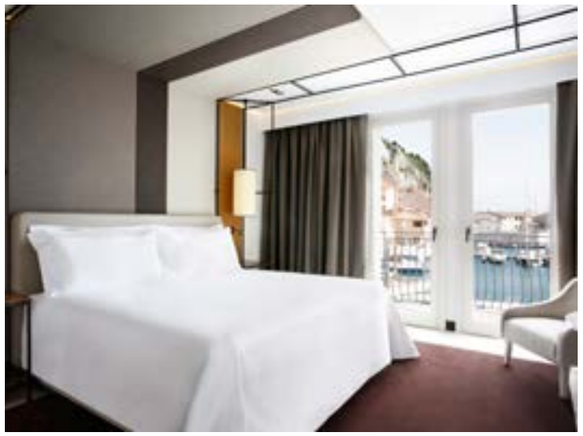
Tivoli Portopiccolo Resort

Portopiccolo, North Italy



Tivoli Portopiccolo Sistiana Wellness Resort & Spa is an invitation to slow down and savour the simple pleasures of life, to truly live in the moment. Located on Italy's Adriatic Coast, the furnishings follow a color scheme in harmony with the maritime environment, and the rooms reflect elegance and sophistication akin to a yacht's cabin

Project: Lazzarini Pickering and Francesco Luparelli

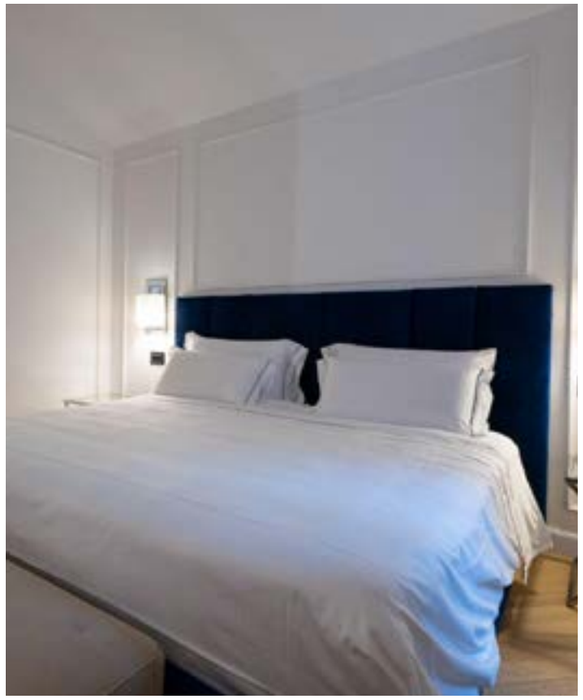
Custom Wall panels

BluOnly Boutique B&B

Vasto (Abruzzo), Italy



The rooms at the Boutique B&B have been elegantly furnished with minimal yet tasteful décor. The bed headboards are made up of individual upholstered wall panels, placed side by side to create a harmonious and luxurious effect. This design choice makes the headboard a focal point in the room, thanks to its contrasting colour against the soft tones of the space.
