THE ITALIAN TOUCH

AURA collection
The atmosphere of living

AURA nasce come evoluzione naturale della collezione Evergreen: non più la natura come forma, ma come atmosfera che definisce lo spazio. Se Evergreen raccontava la natura come elemento, Aura racconta la natura come esperienza.
Non più solo forme e ispirazioni botaniche, ma luce che attraversa gli spazi, materiali che trasmettono sensazioni, atmosfere che definiscono il modo di abitare.
I nomi evocano sensazioni e paesaggi interiori, leggerezza, fluidità, materia, vibrazioni, spazio e profondità.

Aura è ciò che si percepisce, non solo ciò che si vede.

Da oltre quarant'anni **Ceppi** è sinonimo di **altissima qualità degli arredi**, frutto di una lunga tradizione di manualità, sapienza artigianale ed abilità artistica legate al suo territorio, la Brianza, un'area in cui affondano le radici della storia del mobile Italiano; con **CEPPI – THE ITALIAN TOUCH** si crea un nuovo marchio ed un nuovo linguaggio stilistico, e Ceppi si fa strada nel mondo del lusso contemporaneo introducendo la sua nuova linea moderna, un magico incontro tra l'accattivante bellezza del design e l'alta artigianalità Italiana.
Nella nuova collezione convivono **esclusività e pregio**, creazioni nate per vivere in cornici abitative uniche e prestigiose, facendo conoscere, e riconoscere, la propria eccellenza e quella del **Made in Italy**.

CEPPI – THE ITALIAN TOUCH vuole essere un nuovo punto di partenza verso uno **stile pulito e ricercato** per arredare nuovi spazi contemporanei, in sintonia con uno stile di vita moderno attento alla qualità e all'autenticità.
Tra gli obiettivi aziendali c'è al primo posto quello di soddisfare anche le più **complesse e ricercate esigenze di personalizzazione**, avendo come interlocutore una clientela dal profilo sempre più cosmopolita ed internazionale.

Product design: Castello Lagravinese Studio

AURA *emerged as a natural evolution of the Evergreen collection: nature is no longer a form, but an atmosphere that defines the space. While Evergreen portrayed nature as an element, Aura portrays nature as an experience.*
No longer just botanical forms and inspirations, but light that flows through spaces, materials that convey sensations, and atmospheres that define the way we live.
The names evoke sensations and inner landscapes, lightness, fluidity, texture, vibrations, space, and depth.

Aura is what is perceived, not just what is seen.

For over forty years, ***Ceppi*** *has been synonymous with the* ***highest quality furnishings****, the result of a long tradition of manual ability, craftsmanship and artistic skill linked to its territory, the Brianza, an area in which the roots of the history of Italian furniture sink;* ***CEPPI – THE ITALIAN TOUCH*** *is the creation of a new brand and a new stylistic language for Ceppi, who makes its way into the world of contemporary luxury and introduces the new modern line, a magical encounter between the captivating beauty of design and the high Italian craftsmanship.*
In the new collection ***exclusivity and quality coexist****, creations born to live in unique and prestigious living frames, making known, and recognizing, their excellence and that of* ***Made in Italy****.*

CEPPI – THE ITALIAN TOUCH *wants to be a new starting point towards a* ***clean and refined style*** *to furnish new contemporary spaces, in tune with a modern lifestyle attentive to quality and authenticity.*
Among the company's objectives there is the first place to satisfy even the most complex and ***sophisticated customization needs****, having as an interlocutor a clientele increasingly cosmopolitan and international.*
